

Independence Day - July 4th

Hello, Remember Me?

Some people call me Old Glory, others call me the Star Spangled Banner, but whatever they call me, I am your Flag, the Flag of the United States of America. . . . Something has been bothering me, so I thought I might talk it over with you . . . because it is about you and me.

I remember some time ago people lined up on both sides of the street to watch the parade and naturally I was leading every parade, proudly waving in the breeze, when your daddy saw me coming, he immediately removed his hat and placed it against his left shoulder so that the hand was directly over his heart . . . remember?

And you, I remember you. Standing there straight as a soldier. You didn't have a hat, but you were giving the right salute. Remember little sister? Not to be outdone, she was saluting the same as you with her right hand over her heart . . . remember?

What happened? I'm still the same old flag. Oh, I have a few more Stars since you were a boy. A lot more blood has been shed since those parades of long ago.

But now I don't feel as proud as I used to. When I come down your street you just stand there with your hands in your pockets and I may get a small glance and then you look away. Then I see the children running around and shouting . . . they don't seem to know who I am . . . I saw one man take his hat off then look around, he didn't see anybody else with theirs off so he quickly put his back on.

Is it a sin to be patriotic anymore? Have you forgotten what I stand for and where I've been? . . . Anzio, Guadalcanal, Korea and now Vietnam. Take a look at the Memorial Honor Rolls sometimes, of those who never came back to keep this Republic free . . . One Nation Under God . . . when you salute me, you are actually saluting them.

Well, it won't be long until I'll be coming down your street again. So, when you see me, stand straight, place your right hand over your heart . . . and I'll salute you, by waving back . . . and I'll know that . . .

YOU REMEMBERED!

DPS predicts high death toll

The coming long weekend will doubtless bring many families together--parents with children and grandchildren, meeting again after the half-year drouth since Christmas; brothers and sisters reunited perhaps after years of separation; old friends, whose paths diverged years ago and only this one weekend again converge momentarily. . . .

There is another brand of reunion which will necessarily occur in the days following this festive weekend, however. It is neither planned nor anticipated with the anxious glee which marks other reunions. But it will be necessary. For the guest of honor will not realize his special place because he or she will be newly deceased, a grim statistic to be added to the others in tabulating offices across the nation. The reunion of the bereaved family, friends and acquaintances of a traffic victim is never a happy one.

This weekend, from Friday evening until the early Wednesday morning hours, more than 500 such reunions must be scheduled, 58 of them for Texans.

Texas Department of Public Safety director Colonel Wilson E. Speir adds that if the weekend is a typical one, approximately one-third of the fatal accidents will involve only one vehicle.

The fatal mishaps, moreover, will be largely attributable to two traffic law violations--speed too fast for conditions, and driving while intoxicated.

Because it is easy to foresee that these two types will be especially plentiful over the 4th of July weekend, the DPS will be taking special measures to insure the safety of Texas' motorists. A special "Operation Motorcade" Program will be underway.

Operation Motorcade will place all available DPS patrolmen on duty, placing special emphasis on drinking and reckless drivers. Across the state, city police departments and county sheriff's departments will have extra personnel assigned to intensified enforcement efforts. Governor Preston Smith has even called on National Guardsmen in a 12-county area to aid the over-worked law enforcement officers.

Here in Hondo, Police Chief Jerry Williamson reports that for Friday, June 30, two radar units will be in constant service, and extra personnel will be on call for use should heavy traffic conditions on Monday or Tuesday warrant added surveillance of city streets and Highway 90 within city limits.

City taxes returned

The State Treasury Wednesday morning sent to the City of Hondo its share of the sales tax for the first quarter of 1972 (Jan.-March). The tax revenues totaled \$14,762.99.

By comparison, the revenues for the previous quarter, Oct.-Dec. 1971, totaled \$14,794.95.

Council approves ordinance revision

The Hondo City Council met in special session Tuesday night at 7:30 and passed in tentative form the revisions to the city subdivision code which were proposed in a meeting the previous Tuesday night, July 20.

City Attorney Hugh Meyer submitted a series of revisions to the old Ordinance 89 which would render city policy more lenient toward the land developer or subdivider.

The old ordinance, passed in 1961, required that developers pay extension costs for electric and water lines, and one-half of the cost of extension, opening, grading, and graveling of all required streets. A newer ordinance passed as part of the codified City laws in March 1970 provided that developers should assume all costs of utilities and street construction. This provision has been the subject of many complaints by developers, and in the opinion of some councilmen, retarded the development of new additions, especially in the lower and middle price ranges.

The new proposal would require the owner/developer to pay one-half of the total costs of necessary extensions of the lines of the Hondo Electric system, which payment can be returned to the owner divided by the number of lots, as each lot is sold.

Secondly, owner/develop-

er would be required to pay one-half of the total costs of extensions of water mains and sewers.

The third provision, and most controversial, is that one dealing with costs of opening, grading, graveling, paving, curbing, and guttering new streets. The present City code requires curbing and guttering as part of any new subdivision, and requires that the developer pay all costs in that area.

The proposed ordinance would require that developers pay one-half of the estimated costs of opening, grading, graveling, paving, curbing, and guttering, as did the old Ordinance 89. If such streets would serve the general welfare of the City or if the Council is of the opinion that this one-half would be unreasonable or of excessive cost, the Council may, at its sole discretion, provide for payment by developer of less than one-half of the costs. This, again, is similar to old Ordinance 89.

But the most controversial feature of the new proposed ordinance is one not found in Ordinance 89 which would allow the City Council, if it finds that paving, curbing, or guttering of such streets is impracticable or excessive in cost, or not in keeping with the area in which such sub-

For those who are deterred by shocking statistics from abusing their driving responsibilities, the information on fatal collisions will be tabulated at DPS headquarters in Austin and released three times per day during the holidays to heighten driver awareness.

As always, the theme for holiday driving for the 4th of July and for all other holiday seasons is to "Drive Friendly". In this instance, that also includes "Drive Rested", "Drive Leisurely", and above all, "Drive Sober".

Sillman convicted, sentenced

John C. Sillman of Hondo was sentenced by Federal Judge Jack Roberts, Austin, to a one-year prison term and a \$750 fine for willfully failing to file quarterly federal tax returns due on diesel fuel taxes, and for withholding taxes for periods in 1968 and 1969. The prison sentence was suspended by Judge Roberts and Sillman was placed on probation for two years.

Sillman had previously entered a guilty plea on May 26, 1972, to Count one and Count six of a nine-count Federal Information filed in Austin on May 4, 1972.

According to the Information, Sillman, who owns and operates Sillman's Enco Service-Coffee Shop, Hondo, owes \$17,904 in collected diesel fuel taxes, and \$5,272 for Social Security and income taxes withheld from his employees.

District Director of Internal Revenue R. L. Phinney in Austin said that, in addition to the sentence imposed by Judge Roberts, Sillman will be required to pay the taxes, penalties and interest found to be due.

Re-vaccination urged for V.E.E.

The Texas Veterinary Medical Association (TVMA) and the Texas Animal Health Commission (TAHC) issued a joint statement today recommending the revaccination of all horses immunized during the Venezuelan Equine Encephalomyelitis outbreak of a year ago. Dr. Wallace R. Larson of San Antonio, President of TVMA, and Dr. H. Q. Sibley, Executive Director of the TAHC in Austin, said Texas is a high-risk area for a V.E.E. outbreak and while it is hoped no impending threat is eminent, revaccination is further insurance for the public against this deadly form of sleeping sickness in horses.

The spokesmen said that it was only after weeks of study and consultation with scientists and practitioners that the decision was made to re-vaccinate. Recent outbreaks of V.E.E. in Mexico and the discovery of V.E.E. antibodies in a dog and coyote found in Texas influenced the decision, the spokesmen said. Weather conditions are right for mosquitoes and

New business in Devine

Another new business has expanded their service into the city of Devine. The firm operates under the name of C & C Water Conditioning Company, located in a temporary building at 703 21st St.

The owner of the firm is William (Willie) Crawford formerly of Pearland and associate Richard (Dick) Calvert of Dallas and Lawrence, Kansas.

Construction plans are now being finalized on their new building which will be a warehouse-office combination to be built adjacent to the present location.

Calvert has had a life-long exposure to the water conditioning business since his father had the Culligan dealership in Lawrence, Kansas for 22 years. During this time Calvert acquired a similar operation of his own and headed this prior to coming to Devine.

Crawford and Calvert plan to sell and service the entire Hondo-Devine and Medina County trade area placing heavy emphasis on quality and fast service. They claim to have the very latest and best conditioning equipment available.

King Industries, the conditioner manufacturer, has

given the company an exclusive distributorship covering ten South Texas counties with Medina Valley State Bank of Devine providing the customer financing when requested.

The firm will be able to handle all water problems with a line of conditioners, sand, taste and iron removal filters along with a blend of no-phosphate soap especially formulated for soft water users.

They point out that a conditioner can prolong your plumbing fixture life indefinitely when properly maintained. Calvert pointed out that they will test your individual water in your home or business free of charge by giving a telephone call to the firm. They have a portable laboratory kit for this purpose.

Mentioned as being indications of problem water were: corrosion around plumbing fixtures, ring around the bathtub and lavatory, rust stains on the same, and your washing not coming out white and soft. The firm is convinced that soft water service in your home is a luxury that will pay for itself in a few years and invite you to give it a try.

District Court hears 3 criminal cases

Three criminal cases were heard on Monday and Tuesday in District Court at Medina County Courthouse with Judge Ross E. Doughty presiding.

The first, The State of Texas vs. Antonio L. Santos, for murder with malice aforethought, was reset for a later date as the defendant waived a jury trial. Santos has entered a plea of not guilty in the case.

The second case heard was that of The State of Texas vs. Donald Ross Ryan, for escape from prison while confined under charge of felony. This occurred on Oct. 16, 1971, as Ryan was being held in the Medina County Jail on a charge of forgery and passing a forged instrument. The jury which consisted of nine women, three men, found Ryan guilty of the escape charge, and sentenced him to six months confinement in the State Penitentiary. Judgment will be entered in the case within the prescribed time.

On Tuesday, the Court heard the case of The State of Texas vs. Juan Y. Hernandez, for burglary. This act occurred on July 3, 1971, when the home of Thomas R.

Boubel of Castroville was broken into. Hernandez pleaded guilty to the charge and waived jury trial. His punishment was assessed by the Court at not less than two nor more than three years in the State Penitentiary.

A BEAUTIFUL VIEW

. . . of the Pacific Ocean from our motel window at Sailor Jack's in Lincoln City, Oregon, combined with the constant roar from waves chasing each other to shore, somehow makes it difficult to concentrate on happenings in Hondo, Texas.

Left Vancouver, British Columbia and the two grandsons (oh, yes and their parents the Patrick Grays) today (June 21) and naturally we are filled with close memories.

Some observations on the trip and five days in Vancouver:

. . . in five days there we saw only one other car with Texas license plates . . . on exchanging American money or cashing travelers checks we found we had to pay two and three percent charges . . . although they say Howard Hughes is in Vancouver we weren't invited to visit him . . . found my daughter and son-in-law, both Texans, completely in favor of Canada's National Health Program, which through insurance eliminates patients paying the medical bills but still allows choice of doctors--and that coveted doctor-patient relationship . . . having a feeling of regret when we stopped in Snoqualmie, Washington to find a World War II buddy only to find he had moved to Coulee City according to his sister . . . discovering local history and color by buying newspapers in small towns we passed through . . . learning the way to dry a wet sock is to use the portable hair dryer carried along by the girls . . . and seeing a beautiful city like Vancouver literally covered with garbage following a seven week strike by civic employees.

Forgery suspect apprehended

Medina County Sheriff Charles Hitzfelder reports that a man indicted in Medina County for forgery and passing a forged instrument has been apprehended in Dallas, and is presently being held in the Dallas County Jail.

Charles Edward Redfern, who allegedly passed checks on George J. Bendele at H. E. B., Moonlight Inn, and City Auto Supply in Hondo on April 25, is being held on a criminal charge in Dallas. He reportedly is also wanted by law enforcement officers for charges filed in Sherman and Denison.

Redfern has a prison record extending over four previous convictions including embezzlement, forgery, and theft.

After trial in Dallas, he will be released to Medina County Sheriff's Department to stand trial in Hondo.

Hondo VFD supper July 8

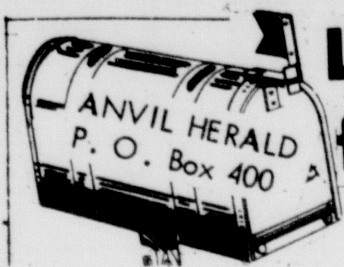

The Hondo Volunteer Fire Department will hold its annual Sausage Supper on Saturday, July 8, at the City Park beginning at 6 p.m.

Fire Department President Elmo Pope reports that the meals, which will cost \$1.50 for adults and \$1.00 for children, will help the Volunteers maintain and add to their well-equipped fire-fighting arsenal.

Newest addition to that arsenal is the brand new truck, delivered on May 10 at a total cost of \$25,000 to the Fire Department. Through the donations of Hondo's citizens, the truck debt has already been reduced to around \$6,000.

For Hondo's fine support in the past, the firemen are deeply grateful. They will also appreciate a big turnout at the Sausage Supper this year, because much is still needed to guard Hondo and surrounding communities from the damage, injury, and horror that fire can cause.

Officers this year include Elmo Pope, President; Charles Lutz, Fire Chief; and Assistant Chiefs Hillmer Mueller, Glenn McWilliams, Elton Lutz and Lester Boehme.

Honorable John Tower
United States Senate
Washington, D.C. 20510
Dear Senator Tower:

This will refer to the recent letter from your constituent, Mr. A. D. Patterson, of Hondo, Texas. Mr. Patterson has offered some well-considered suggestions on rail-highway safety in general and has also drawn attention to a rather serious situation in Hondo.

As you are no doubt aware, the Department of Transportation has been deeply committed to a study and action program in the general area of rail-highway safety. I believe that Mr. Patterson's suggestions have been recognized by both the Federal Railroad Administration and the Federal Highway Administration in our

first report to Congress on this subject. That report, issued in November 1971, will be followed by a more comprehensive report in July of this year.

In connection with the situation at Hondo, Mr. Patterson should be apprised of the fact that actual control of crossing protection has long been vested at the State level. However, you will recall the recent success achieved through Mr. Gilbert Smith of the Texas Railroad Association in a similar situation. We would suggest, by copy of this letter, that that group might take a look at this situation and see what could be done in this instance.

I hope this letter will prove responsive to Mr. Patterson's suggestions and offer a means of solving the immediate problem.

Sincerely,
James A. Hagen

Hondo men to attend traffic conference

Three Hondo public servants with responsibilities involved in transportation will attend a Governor's Conference on Traffic Safety, to be held in Austin on July 12-14. All expenses will be paid by

the Governor's Traffic Safety Conference.

Attending from Hondo will be City Manager Fritz Leinweber, Police Chief Jerry Williamson, and Hondo High School Principal and Transportation Director R. W. Nations.

The purpose of the Conference is to "study traffic safety needs of cities and develop effective guidelines for attacking these problems." Hopefully, the conference will result in a reduction of traffic accidents.

The conference will feature Group Forums on the relation of the following problems to the local traffic safety plans:

1. Alcohol and Public Support in Relation to Highway safety
2. Motorcycle safety
3. Driver Education
4. Identification and Surveillance of Accident Locations
5. Traffic Records
6. Driver Licensing, local education, and government
7. Codes and Laws
8. Highway Design, construction, and maintenance
9. Traffic Control Devices
10. Emergency Medical Services
11. Pedestrian Safety
12. Traffic Courts.

Men's Wear certainly attracted the stares in Vancouver where I saw only one other man wearing a jump suit.

And to Ralph Hauger at Leinweber's--those \$5.99 shoes I bought in early May not only withstood the downpour of rain on Museum Day but have climbed mountains, waded in snow, been soaked by the briny waters of the Pacific, stomping out a beach fire and a dozen other things, are still in fine shape, so rest easy, Ralph, I think I'll keep them.

AIR MAIL DELIVERY

. . . brought the June 15 Anvil Herald to us in Vancouver on Monday (June 19) to give me a quick look at the great job everyone is doing.

Then on Tuesday when I called Joe Fohn, I found Bill Berger there. I hope he was there long enough to get in another taste of helping put out the paper.

The call to Joe was actually business, not just to check up. His June 15 story on the City Council stated the Council had called a closed meeting for June 20 to discuss changes in the city ordinance on subdivisions. Under the Closed Meeting Act passed two years ago by the Texas Legislature closed meetings can be held for only two occasions--when personnel are being discussed and real estate is being purchased. So I wanted Joe to check with Mayor George Brucks about covering the meeting.

To some this will be nit-picking, but I firmly believe the closed meeting law is designed to protect governmental bodies--such as city councils, commissioner courts and school boards--as well as the public, so closed meetings should never be held except for the two reasons stated above. BY THE TIME

. . . this column appears in print our Jack Winkler Motors Impala will be pointing for Hondo and home-sweet-home.

For the next several days Patricia will be showing off to her Oregon relatives "that Texan she married". With tongue in cheek I bet they will be "tickled pink"; however, I will enjoy eating their groceries, and joining them in anything they want to do.

That will end a beautiful vacation crammed with beautiful scenery, beautiful people and providing beautiful memories (brought into instant replay by stacks and stacks of pictures) for years to come.

WOULD YOU BELIEVE

. . . that when we arrived in Eugene, Oregon Thursday afternoon the shopping section of the June 22 Anvil Herald (mailed to me Tuesday night by Tony Mendoza) was waiting? That is what I call fast service--and I certainly enjoyed the good run of advertising in that section. Now, I should get the other section by Saturday morning. And that will be the perfect gift for me to give Patricia for her birthday on Saturday.

That's the end of this column--and probably the end of me if Patricia reads the above remark.

LOOK MA, SNOW

The Grand Teton mountains rise majestically above the flat valley in Teton National Park. And their snow-capped peaks never ceased to provide amazement to flat-landers from Hondo, to whom snow is a rare pleasure.

THERE SHE BLOWS!

Old Faithful, which hasn't missed a day of "spouting off" in many years, pours forth to the enjoyment of Terri and Debbie Young of Hondo, and the thousand or so others present at the time. The geyser reaches an average height of 130 feet and lasts two to three minutes or three to five minutes. Average time between eruptions is 65 minutes--and can be as long as 96 minutes.

More about ... Ordinance

division is located, to approve the plat for the new subdivision without requirement of paving, curbing, and guttering.

The new proposal was protested strongly by several Hondo individuals, including Elmo Pope, Mrs. E. G. Pope, Albert Vance, Fred Johnson and Thomas Santos. They cited present drainage problems in Hondo as results of inadequate planning before acceptance of the plats by the Council, and claimed

that similar problems could be created in the future under the new ordinance.

Meyer replied that the alternative to bad judgment is no allowance for judgment at all, and that all the proposed ordinance would try to do is to allow the Council to be free to act as reasonable men in situations where cost of guttering and curbing would be excessive, or where such curbing and guttering would be impracticable. The City policy would

continue to require curbing and guttering in all cases but these.

Submitted in form of a motion by Councilman Pete Pedroza and seconded by Councilman Bud Gwartney, the proposed tentative revision passed unanimously.

It will be re-written as an amendment to Chapter 19 of the City Code and be formally submitted for adoption at the Council meeting on July 11.

other vectors to transmit V. E. E. from an infected animal to an animal that does not have immunization or to humans, they said.

Some 90 human cases of V. E. E. were reported in 1972 and about 2,000 horses died during the epidemic in Texas. Recent studies show that while the disease seldom kills adult humans, it was about 40% fatal in young children in South America. The disease is almost always fatal to horses, especially young animals.

We know that the Mexican veterinarians did an in-

VEE

adequate job of immunizing the horse population in Mexico in 1971, which resulted in the Texas outbreak. Our own immunization program was done under extremely bad conditions with practitioners working hurriedly to get the job done. The records of vaccination and identification under these conditions add more reason to urge revaccination of all horses vaccinated in 1971, they said. Horse owners are urged to specifically identify vac-

cinated animals so there can be no doubt about the animals' protection.

Horse owners were also reminded to vaccinate any horses not previously vaccinated, such as colts born since the epidemic or animals brought into Texas since the epidemic.

Many attend Bendele reunion

The third Bendele family reunion was held at Koenig Park, Castroville, on June 11, 1972.

Approximately 350 descendants from Medina City, Brackettville, Pearsall, Jourdanton, Dallas, Houston, Laredo, Uvalde, Devine, Hondo, Louisville, Kentucky, Brownsville, Castroville and Del Rio attended the gala affair.

The business meeting was conducted by Hilmer E. Bendele of San Antonio.

Officers elected for 1973-74 are: Chairman, Lewis Bendele, Devine; co-chairman, Ernest N. Bendele, San Antonio; secretary, Mrs. Helen Boehme, Castroville; treasurer, Mrs. Anne Crain, Jourdanton; reporter, Mrs. Nora Gibson, San Antonio. The entertainment and registration committees will be appointed at the next executive committee meeting.

Mrs. Minnie B. Mumme, age 86, was the eldest in attendance. Becky Lou Bronstad, daughter of Mr. and Mrs. Jerald Bronstad of Charlotte, was 1-1/2 years of age and the youngest in attendance.

The 1973 reunion is scheduled to be held at Koenig Park on June 10, 1973.

Miss Goodwin were her mother, Mrs. Bill Goodwin; the groom's mother, Mrs. Franklin Muennink; and the groom's grandmother, Mrs. Alfred Boehle.

An arrangement of aqua mums and white gladiolas adorned the serving table. Refreshments were served by Mmes. Bill Bain and Duane Wiemers. Guests were registered by Miss Debbie Muennink, sister of the groom.

Hostesses were Mmes. Ken Beard, Bill Bain, Jack Hartung, Duane Baker, Douglas Bohmfalk, Duane Wiemers, Rolf Saathoff, Rodney Wheeler, Delroy Dietert, Floyd Saathoff, W. H. Johnstone, Harold Hartmann, George Sandage, Wilkes Wiemers, and Franklin Wiemers.

Also, Mmes. Kathryn Jackson, J. E. Muennink, Edwin Wiemers, Olen Wiemers, Emma Balzen, Minnie Grell, Albert Bryant, Walt Egler, Roy Bohlen, Clarence Haass, Ronald Wilcut, Agnes Horecka, Marion Muennink, L. J. Leinweber, J. C. Martin, and Harold Moehring and Misses Debbie and Rita Muennink and Connie Saathoff.

KITCHEN SHOWER
On Sunday, June 4th, Miss Goodwin was honored with a kitchen shower at the apartment of Miss Sandra Meyer. Miss Meyer was hostess to 16 guests.

MISCELLANEOUS
A miscellaneous shower was given for Miss Goodwin on Saturday, June 24th, at the home of Mrs. Leo York. A strawberry cake, coffee and punch was served to 20 guests. Mrs. York and Mrs. Ray Turner were hostesses.

Schweerses return from Hawaiian trip

Mr. and Mrs. M. F. Schweers returned Sunday from a Hawaiian holiday vacation during which time they visited all the major islands in the Hawaiian chain.

Of particular interest was flying over the Halemaumau firepit of the Kilanea Volcano in Hawaii Volcanoes National Park, the most active volcano on the islands. On the island of Kauai the Waimea Canyon offered a breath-taking view. A scenic boat trip up the Waialua River on the verdant Island of Kauai ended at the Fern Grotto, a portion of a rain forest where the rainfall exceeds four hundred inches per year, certainly an apt reason for calling Kauai the Garden Isle.

The Schweerses were based in Honolulu on Waikiki Beach during their visit to Hawaii and attended the presentation of "Invitation to Paradise" at the Polynesian Cultural Center, an outstanding production by students of The Church College of Hawaii depicting various aspects of the six cultures which compose Hawaii.

In addition a cruise to Pearl Harbor, a visit to the Buddhist Byodo-in Temple, and Punchbowl Crater National Memorial were some of the sights enjoyed. Many fields of pineapple and sugar cane were viewed on the Islands; however, "Uncle Sam" is the principal source of income for the Islanders with tourism ranking second.

On the return flight from Honolulu the Schweerses visited their daughter, Roxene and family in Irving, Mr. and Mrs. C. E. Brewer, Karl and Kristi Lu. The group enjoyed a visit to Seven Seas at Arlington, a 35-acre sea-life park. Sunday, the Schweerses assisted in observing Kristi Lu's third birthday and then returned to Hondo for more "rest and relaxation".

The Hondo Young Homemakers met June 20th in the Homemaking department of Hondo High School. Evelyn Dittmar presented a program on music appreciation. Penny Taylor, Area VII representative to State Office, was guest. She informed the group of the 8th Annual College Clinic for Area VII to be held on the campus of Southwest Texas State University July 12-13. Theme will be "The Many Faces of Woman".

Speakers who will be participating in the clinic are Dr. Bernice Moore, consultant and writer for the Hogg Foundation at the University of Texas, Austin; Rev. Ted Leonard, pastor of Fredericksburg United Methodist Church; Patty Ann Daniels, home economist with the Guadalupe Valley Electric Coop; Gonzales H. S. teacher Mrs. Mary Menking; Southern Union Gas Co. home economist Mrs. Virginia Zimmerman of Austin; and SWT home economics professor Dr. Azalea Little.

Bonnie Moos, presiding in the absence of the president, reminded the members of the lingerie sewing class which will begin July 5 at 2:30 p. m. in the H. E. department of the high school.

Those appointed as the nominating committee are Margaret Reus, Mary Jo Schweers, Dora Mae Fessler and Mabel Jones.

Double ring ceremony unites couple

In a double ring ceremony solemnized on Sunday, June 11, 1972 at 4 p. m. in Edna Presbyterian Church, Miss Alannah Spinks of Devine, daughter of Mr. and Mrs. William Henry Spinks of Lolita, became the bride of Thomas Eugene Mozisek of Edna, son of Mr. and Mrs. Otto Franklin Mozisek of Edna.

The Rev. George Wendell Crofoot, Jr. officiated. Mrs. Anye Gamblin of Tivoli, organist, played traditional wedding music. "Theme from Love Story", "Love Theme from Romeo and Juliet", "My Cup Runneth Over", "Trumpet Song", "Ave Maria". Mrs. A. L. Griffin of Tivoli, soloist, sang "Whither Thou Goest" and "The Lord's Prayer".

Given in marriage by her father, the bride wore a princess style formal gown, which she fashioned of candlelight

peau de sole with a full skirt, long tapered sleeves and a modified train. The neckline was enhanced with pearl encrusted Alencon lace, and lace appliques in rose and forget-me-not patterns were scattered over the skirt and sleeves. Her Juliet cap, adorned with pearl encrusted Alencon lace, held three-tiered chapel length veil of candlelight silk illusion with lace applique. She wore a gold filigree cross, belonging to her maternal grandmother, Mrs. Clarke Adkins, and carried a cascade of white carnations and gladiolus on the bride's white Bible.

Matron of honor was Mrs. Jerry Paul Rozsypal of Austin, sister of the bride, and Miss Lieuen Spinks of Lolita attended her sister as maid of honor. Bridesmaids were Miss Dawn Spinks, sister of the bride, and Misses Janet and Cathy Mozisek, sisters of the bridegroom.

The attendants were fitted formal Empire gowns of white flocked peach voile with Empire waistlines and short puffed sleeves. They wore white picture hats and carried white baskets with daisy pom pom mums.

Otto Mozisek, Jr. attended as his brother's best man. Groomsman included Dennis Mozisek, brother of the bridegroom, Jerry Rozsypal, brother-in-law of the bride, Steve Cloud and Clarke Spinks, brother of the bride.

Serving as ushers were Buddy Franz, Carlos Lopez, Danny Pauley and Denny Pauley. A reception was held at the church fellowship hall. Mrs. Otto Franklin Mozisek Jr. of Telfer registered the guests.

For departure to Lubbock, where the bridegroom played in the Coaches' All-American Game on June 24, the bride was attired in a white doublet dress with red accessories and a corsage of red and white carnations.

The couple will make their home in New York City. A rehearsal dinner was hosted by the parents of the bridegroom on Friday night in Victoria.

The bride, a 1967 graduate of Industrial High School, graduated from Victoria College in 1969 and from the University of Texas at Austin in 1971 with a B. S. degree in elementary education. She was employed with the Devine Independent School District for the 1971-72 school term.

The bridegroom, who graduated from Industrial High School in 1968, attended the University of Houston where he was a member of the varsity football team. He plans to play professional football with the New York Giants.

This week

That's all she wrote

by Edna McDade

Comes now The End to several hundred weekly "All She Wrote" visits with readers who have helped to make its continuance possible.

For me, it has been a happy experience. For my trusty Smith-Corona electric typewriter, which has borne up bravely under the strain of my hit-'n'-hope system of typing, it must be a welcome relief not to protest "Oh, no, not ANOTHER one!"

As both of us move to our new home in Corpus Christi, we'll probably be tuning in to hear what the wild waves are saying ... and looking forward to the arrival of the weekly paper from our former home. But, we'll miss you, and we thank you for your tolerance which covers some 11 years of off-again, on-again assorted duties on the ANVIL HERALD.

Last Sunday, members of the QUIHI LUTHERAN CHURCH honored their pastor, the Rev. William N. Durkop, on the occasion of the 60th anniversary of his life in the ministry.

EVELYN DITTMAR, always gracious and thoughtful, invited me to attend the day's services and the celebration which followed. It was with regret that I had to decline the invitation but packing preparations have had high priority for the past three weeks.

Pastor Durkop has served this community for almost one-third of his ministry and he has countless friends among its people of all faiths--this Methodist included--who admire and appreciate him and wish him well in the years to come.

Bumper stickers are not standard equipment on my car but they are popular, serve some purpose, and now and then catch my eye. One such sticker proclaimed "Live in the past -- it's cheaper!"

Not when you consider what might be in second place, it isn't! I'll take my living on a daily basis, and thank the good Lord for each one as it comes.

Perhaps living in the past is what some of the also-ran political candidates are doing now. Billboards and posters are still carrying a smoldering torch for some of the also-rans who could still do a real service by seeing to their removal.

KAY, 1972-'73 freshman daughter of the RO-THE (Mary) MARTINS, was recognized in the July issue of the Texas Farmer-Stockman magazine for her Texas Beef Cook-off recipe which won \$200 in a contest as reported in the May 25th issue of this newspaper.

JEWEL (Mrs. C. B.) GASTON tried it for dinner one day and I was among the lucky diners who thoroughly enjoyed it.

Imagine being the honoree at a surprise "farewell" party and not being among those present -- but on the receiving end of a present in advance!

My treasured friends and members of the Wesleyan Service Guild planned the party for Tuesday evening of this week -- by which time I was scheduled to begin my coastal residence.

Nothing daunted, they went right ahead with the party and decided that my share of the refreshments would provide second helpings for those who were there in person.

I shall be missing this community and I have stored away enough memories of its kindly hospitality and neighborliness to fill many an hour spent in pleasant reminiscence.

VIC Jr., two-year old son of VICTOR and CINDY ZERR was ring-bearer for the wedding of his Aunt Bernadine and WILLIE WAUSON. He wore his first tuxedo and almost stole the show.

As for the bride and groom, when they were served miniature pizzas as an extra special course at the wedding dinner, they couldn't believe they ate the whole thing! The groom's father, J. C. WAUSON of Pearsall, baked a special cake which was decorated with the service emblem of a TDPs officer and an orchid with the name BERNIE. The greeting read "Mission accomplished" since Willie had set as his goal the winning of his bride and his new title as a Public Safety Officer.

And now, Dear Friends and Gentle People, THIS IS ALL SHE WROTE!

HOW DO YOU CARE FOR A SICK ENVIRONMENT?

Your Pharmacist cares about the health of your body, but he cares too about the health of the body of land you live on. A sick environment can undo everything your doctor and Pharmacist work for. Polluted air can damage the eyes, aggravate lung diseases, actually cause death during long episodes of heavy pollution. Polluted water can infect plant, animal and human life. Noise pollution can cause deafness, may produce ulcers and hypertension. The list goes on and on. There is hope for recovery, but we must ALL do our part in nursing our environment back to health. Jacob Jerome Finger

Jacob Jerome Finger wishes to announce his arrival to the family of Mr. and Mrs. Jay Finger, at 10:27 p.m. Saturday, June 24, 1972, at Medina Memorial Hospital. He weighed six pounds, 11-1/2 ounces and is 19 inches long.

"I, J." is welcomed by big brother, Marc David. Grandparents are Mr. and Mrs. A. Jerome Finger and Mr. and Mrs. Harold F. Her-ring, all of Hondo. Great-grandparents are Mr. and Mrs. A. C. Gilliam and Mrs. D. A. Blasingame, all of Hondo.

Here in Hondo

Mr. and Mrs. Byron Heard of Uvalde and Mrs. Margaret Behrens of Austin spent Sunday in the home of Mrs. Armin Rothe.

Miss Janet Parsons is bride of Chas. W. Rothe

The First United Methodist Church of Hondo was the scene for a double ring ceremony uniting in marriage Miss Janet Kay Parsons and Charles W. Rothe. The event took place Saturday evening, June 17, 1972 with Rev. Homer Weimer, pastor, officiating.

Parents of the newlyweds are Mr. and Mrs. S. H. Parsons of Hondo and Mr. and Mrs. Joe W. Rothe, D'Hanis.

The church was decorated for a candlelight service with trellis of greenery, arrangements of white gladiolas, daisies and baby's breath, fern trees and candleabra.

Augie Rothe, organist, played the nuptial music and accompanied Henry Martin Finger as he sang "Because" and "The Lord's Prayer".

The bride, given in marriage by her father, wore a floor-length gown of Venice lace embossed with seed pearls designed with fitted waist and long sleeves. Her halo headpiece was fashioned of Venice lace and pearl spray and held train-length veil of French illusion and lace. She carried an ethereal cascade of stephanotis, phalaenopsis orchids and baby's breath.

Matron of honor was the bride's sister-in-law, Denise Parsons of Blanco. Maid of honor was Sandy Howard, Hondo, cousin of the groom. Serving as bridesmaids were Misses Marcy Garrison, Annette Aelvoet and Cora Gilliam, all of Hondo.

The attendants wore identical floor-length dresses of pale yellow chiffon with moss green ribbon belts, picture hats of moss green organza and ribbon. They carried Dolly Madison bouquets of white daisies and baby's breath.

Thomas J. Rothe of D'Hanis served his brother as best man. Groomsmen were Johnny Zinsmeyer, Rothe, Carle and Norman Lutz, all of D'Hanis, and Dennis Hermann of San Antonio, brother-in-law of the groom. Ushers were Clyde Parsons, brother of the bride of Blanco, Eric C. Rothe, D'Hanis, brother of groom, and Tim Coyle of Hondo.

A reception followed hosted by the parents with 360 guests in attendance. Serving were Mrs. Clint Newson of San Antonio and Misses Donna Embrey, Shauna White, Laura Mangold and Joetta Embrey, all of Hondo.

Following a wedding trip to the Rio Grande Valley and Mexico the young couple is now making their home in College Station.

where the groom is employed as an agricultural engineer with the Soil Conservation Service.

The bride is a graduate of Hondo High School and the groom graduated from D'Hanis High School and Texas A&M.

Officers for the new fiscal year are Mrs. Albert Saathoff, president; Mrs. Bill Moos, vice-president; Mrs. Robert Graff, Jr., secretary; Mrs. John Wentz, treasurer; and Mrs. Donald Muenning, reporter.

The Medina County Council of Home Demonstration clubs will meet July 10th in Devine.

Miss Jordan elected to Dept. of Health

Miss Kit Gauthier of Nederland who was elected Governor of the American Legion Auxiliary Bluebonnet Girls State in the general election, appointed Miss Rebecca Jordan of Hondo as a member of the Texas State Dept. of Health.

Miss Jordan, daughter of Mr. and Mrs. James E. Jordan, is a member of the Federalist Party and the Girls State Senate. She was sponsored to Girls State by American Legion Auxiliary Unit #128 of Hondo and was selected to attend Girls State on a basis of character, leadership, scholarship and physical fitness.

LEADERSHIP LAB TRAINEES

... these five Medina Countians attended the 4-H District 13 Leadership Lab on the HEB Ranch, accompanied by Medina County Agent Glenn Bragg. They are (l-r): Vickie Boehme of Rio Medina, Nancy Hood of D'Hanis, Jimmy Mummie of Hondo, County Agent Glenn Bragg, Lynda Howard of Devine, and Andy Gilliam of Hondo.

Nixon-Wilson reunion held at City Park Sat.

The annual Nixon-Wilson reunion was held at Hondo City Park on Saturday, June 24th. This group of relatives are descendants of John Phillip Nixon and Dora Wilson Nixon; Garrett Wilson and Viola Nixon Wilson; Sidney Wilson and Ada Turner Wilson; Solomon Childress and Nora Wilson Childress; and of Myrtle Nixon Allen and Alta Nixon Fischer.

One hundred attended from Houston, San Antonio, Corpus Christi, Overton, Belton, Anahuac, Sabin, West Lake, Louisiana, Pearlsall, Castroville, Kerrville, Yancey and Uvalde.

The oldest person present was Samuel Darby, husband of Velma Wilson Darby of San Antonio. He is 93 years of age. Youngest present was Shannon Dodson of Sabin, who is 3-1/2 months old. Shannon is the daughter of the Mike Dodsons of Sabin. Her grandmother is Mrs. Roy Wilson. Great-grandmother is Mrs. E. E.

Wilson of Yancey.

Traveling the farthest distance for the reunion was Mrs. Jane Harvey and children, Emily Grace and Alan, of Portsmouth, Virginia. Jane is the daughter of Polk Childress of Overton and is the granddaughter of the late Sol and Nora Childress who resided in Yancey.

The reunion will be held at Hondo City Park again next year.

Five 4-Hers at Lab

Five Medina County youngsters attended a recreation and leadership training workshop held at the H. E. B. Ranch on the Frio near Leakey.

Present at the District 13 Leadership Lab were Jimmy Mummie and Andy Gilliam of Hondo, Nancy Hood of D'Hanis, Lynda Howard of Devine, and Vickie Boehme of Rio Medina. They were accompanied by Medina County Agent Glenn Bragg.

The 4-H'ers were treated to two special programs at the Lab. Bob Ramsey of Leakey, who is a wildlife expert, gave a presentation on calls, habits and of wild animals, including deer, turkey, and wild boars. Later, Dr. Milo Shult, Area Wildlife Specialist from Uvalde, discussed the plight of the American buffalo, its habits, its appearance, and its problems in fighting extinction.

The Leadership Labs will be an annual presentation in order to provide 4-H members and officers with training with which to benefit their club and county.

LEGALIZE MARIJUANA - WHY?

HOW WOULD LEGALIZATION EFFECT THE FAMILY?

The possibilities of devastating effect on society, if marijuana were legalized, have been outlined in previous articles in this series. But, what of the effect on family life in general?

For example, one mother wrote to a well-known t.v. announcer and said, "I do not need scientific proof to see what damage marijuana can do. I watched my son travel the typical road to ruin, from a student who enjoyed music, drama and sports - to a useless, filthy school dropout, with no other aim in life than to live in a carefree dream of distortion."

Another woman, from California wrote, "I have a 16 year old daughter who has always been an intelligent, well-adjusted girl. We have a very close family and my daughter and I have always had a close relationship. Two weeks ago she started taking drugs and ran away with an 18 year old boy. We found her in Tijuana married to this boy. She wants nothing to do with us whatsoever." Obviously drug abuse, yes, even marijuana, breaks up homes, wrecks families, and alienates young people from their parents who love them.

Marijuana users will tell you that the use of this drug enhances their normal capabilities; if you are artistically inclined it will make you more so. If you are a craftsman it will make you more creative, if you are a musician the use of marijuana will bring out all of your hidden abilities. Yes, these things they will tell you while they are under the influence of the drug. But, talk to one of them when he is "sober" and he'll admit his art is not near as good when he has been using marijuana, or his music actually is hard to separate from pure nonsense, or his craftsmanship is idiocy. The trick, in getting a real opinion, is catching a user when he is ready to be honest with himself and you!

It is apparent that a normal family relationship cannot possibly exist where marijuana is in use, whether the family considered is that of parent and teen relationship or young married couples. Legalizing the use of marijuana would simply make the user more open and arrogant, where his parents were concerned, in cases where the young person still lived under the roof of the home. In the homes of young marrieds, all barriers would be down, if marijuana were legalized; common sense tells us that the drug would rule the household.

Even in view of all this, users will still claim, "you can't prove marijuana is dangerous." It makes you wonder what additional proof is really necessary. How destructive must something be to awaken some people?

History repeats itself and if one looks for them, there are many close comparisons between our present problem with marijuana and those our country experienced prior to the repeal of prohibition. At that time the advocates of repeal told us that drinking a little alcohol was actually good for you. How better to relax after a hard day at the office? How could you have a better time in off hours than imbibing just a wee bit? It took out the tensions, made you forget your troubles, gave you something to do for the purpose of making life more enjoyable. Fine... if most people could control themselves, but what happened? The American public had to go "all the way" ... whole hog. Now alcoholism ranks in the top five killers nationally; not just from the slaughter on the highways it causes, but in its effects on the health of the nation. Today we have an estimated 6,000,000 alcoholics and most likely another 6,000,000 who are on the fence. The cost to our nation for our legalization of alcohol, in the form of monetary loss, broken homes, welfare, child care, etc., is the most staggering "cross-around-the-neck" this nation has ever carried. Shall we let in another giant "Trojan Horse" by legalizing marijuana? How many weird habits can our society maintain before we fall like the ancient Roman Empire?

The American Medical Association said, after lengthy and serious study, "Cannabis (marijuana) is a dangerous drug and as such is a public health concern." The AMA also said on the subject, "Legalization of marijuana would create a serious abuse problem in the United States." I would say that's putting it pretty mildly!

In forming your personal opinion on the subject of legalizing marijuana, I urge each and every person in our community to consider all of the facts! Think of all the various ramifications involved. Then, if you decide this is not what you and your family want to see happen, SHOUT IT FROM THE ROOFTOPS... give your views in every conversation where the subject comes up! Talk against marijuana at every meeting you attend, every group discussion, every get-together where you can voice an opinion! Only in this manner can we stop this national menace NOW, before it is too late!

Next week: "The Causes of Marijuana Use." Look for this column at that time, won't you?

Cardinals down Cubs 12-4

The D'Hanis Cardinals broke open a pitcher's duel with a 6-run 6th inning to spark a 12-4 rout of the Fredericksburg Cubs in a game played at D'Hanis on June 25.

The Cubs jumped to a 1-0 lead in the second inning as second baseman Segner walked with two out, stole second, then was driven home to score by a double by Kent, the Cubs' catcher. The rally was short-lived as the Cubs left-handed pitcher Lange hit a hard grounder to Cardinal first baseman Chris Finger, who made the play unassisted.

Lange had held the Cardinals hitless for 3-2/3 innings until catcher Rusty Attaway doubled to drive in Ray Bendele, who had reached on a fielder's choice. The D'Hanis rally was quickly ended as Chuck Burrell tapped a grounder to the mound and was retired.

Cardinal pitcher Thomas Gonzales retired the Cubs in order in the 5th, and Lange almost returned the favor in the D'Hanis half of the inning, facing four batters and, after walking leadoff man John Bendele, forcing all three outs at second base on grounders.

The D'Hanis 6th opened with Tom Attaway walking. Third baseman Ray Bendele singled him to second, and Chris Finger's sharp single sent him home with the tying score. With Bendele on third and Finger on first, the Cubs' reliever Schmidt fired a pitch past catcher Kent and Bendele scored to put the Cardinals in the lead.

After retiring Rusty Attaway, Schmidt gave up singles to Chuck Burrell and John Bendele. Tom Rothe was retired for the second out on a fielder's choice, but a single by pinch-hitter Salome Ortega and an error on Greg Rothe's grounder to third, then another error on Tom Attaway's hit to second helped to drive in six very big runs for the Cardinals. The side was retired on a fly by Ray Bendele, the 11th man to bat in the inning.

The Cardinals sent Salome Ortega to the mound in the seventh, and the Cubs failed to score, with Simpson left standing on second after a single by Pyka, Simpson's fielder's choice, and an error which put Schmidt on first.

The Cardinals were not finished scoring yet in the 7th inning. Chris Finger sent the first pitch of the inning over the right field fence for a home run. Taking the hint, Rusty Attaway doubled to center. After Chuck Burrell's fly to left, John Bendele reached on an error by the 3rd baseman as Attaway scored. Bendele was sent to second as Tom Rothe singled. After stealing third, Bendele scored on a drive by Ortega to the right fielder. A wild pitch allowed Rothe to score also, as Greg Rothe walked. Tom Attaway's fly to left ended the seventh inning with the Cardinals leading 11-2.

Segner and Kent scored for the Cubs in the top of the 8th, after reaching base on a walk and an error respectively. Lange's single scored Segner, then a wild pitch sent Lange to second and Kent to third. Pyka added a sacrifice fly which sent Kent home to score before Simpson ended the last Cub scoring drive.

The Cardinals added one more insurance run in the 8th as Ray Bendele walked, reached third on Finger's single, and then scored on a sacrifice fly by Rusty Attaway. The Cubs were scoreless in the top of the ninth,

and the game was ended.

The Cubs, who fielded nine players with no reserves, lacked depth on the mound on what proved to be a very warm afternoon. Despite this the Cardinal bats were strong enough to give even a fresh pitcher a few headaches. Hitting leaders for D'Hanis were Finger with 3 for 5 including a homer, and Rusty Attaway, with 2 hits in four official at-bats and a sacrifice.

Cut hitters included Schmidt, who went 2 for 4, including a double, and Simpson, Segner, and Kent who also doubled.

Owl golfers win junior tourney

The Winter Garden section of the South Texas PGA Summer Golf Tour for Juniors, held in Carrizo Springs, saw Hondo golfers take first and second place honors in the Junior High Division and fourth in the Senior High Division.

Mark Graff maintained his lead to win first place among junior high golfers with a 178. Tied for second at 181 each were Don Bein of Uvalde and Orlando Reyes of Hondo. Reyes defeated Bein on the first hole of a sudden death playoff to capture the second place trophy.

Fourth place went to Dallas Harris of Carrizo Springs with a 182. Graff, Bein and Reyes advance to the Chapter Championship in San Antonio on June 29 and 30.

In the Senior High Division, Butch Harris of Carrizo Springs placed first with a 154 for the 36-hole tournament. Second place went to Paul Bracher of Uvalde, eight strokes back at 162. Third was Bo Farr, also of

Uvalde, at 163. Placing fourth at 169 was Hondo's Brian Finger.

Harris and Bracher will advance to the Chapter Championship.

Tournament director was Ando Armstrong of Carrizo Springs.

AND UP WITH THE NEW...

This is one of the new light fixtures which will illuminate the exploits of the Owls next fall. It is 79 feet tall, and contains twenty sealed-beam lamps. Where there were only 80 of the old lights, 120 of the new fixtures will be used.

Total cost of the project is expected to run \$23,500, reports Hondo Supt. Kenneth Flory.

Devine City-County Bldg. begins

Ground-breaking ceremonies were held in Devine on Monday for a new City-county government building to be constructed on the south edge of the business district.

The building will have offices for both city and county officials, and will cost near \$89,000, shared equally by Devine and Medina County.

The city part of the building will have a council chamber, police department office, vault, two offices and restrooms and a coffee bar.

The county section, across a wide corridor from the city part, will hold two

jail cells, two offices, a courtroom, and an office for Precinct 5 Justice of the Peace C. Oak Williams.

The contract for construction was awarded to Jim Allman. Design of the building was by David R. Bradley of San Antonio. The building will cover a total of 5,016 square feet, located at Highway 81 and South Bright Drive.

Present at the ceremonies were Ira Baron, county commissioner; County Judge Jerome Decker; Mayor of Devine Sid R. Malone; W. L. DuBose, city alderman; Jim Allman, contractor; Mrs. Andy Anderson with Jim Allman Homes, Inc.; and Owen Carpenter, construction superintendent.

D'Hanis students on honor roll

COLLEGE STATION--Two

D'Hanis students have earned "Distinguished Student" ranking at Texas A&M University. They are Gregory E. Rothe, son of Mr. and Mrs. Lawrence Rothe, junior agricultural engineering major; and Thomas Joseph Rothe, son of Mr. and Mrs. Joe W. Rothe, freshman agricultural economics major.

The undergraduate honor is awarded students who have excelled academically. Recipients must earn at least a 3.25 grade-point ratio (out of a possible 4.0) during the grade period.

In addition to a 3.25 or higher GPA, a student qualifying for "Distinguished Student" honors must have been enrolled in a minimum of 15 hours and have no grade lower than a "C".

"Distinguished Student" ranking is limited to 10% of Texas A&M's undergraduate enrollment.

DELAID

Betsy and Arlene Herrmann are spending the month of June visiting their sister and family, Elaine Reinhard and husband, Stan, and son at Ramstein AFB in Germany. On June 6 the girls and the Reinhard began a tour of France, Spain, Italy, Switzerland and Germany in the family automobile. In Madrid, Spain they were the house guests of friends of the Reinhard. Here they attended a bullfight, visited the Prado, Spain's famous Art Museum, and shopped at the Flea Market. Their itinerary included Monaco, and they wondered if Princess Grace Kelly would be at home as they passed through there.

Chaplain and Mrs. Paul Ephraim and three sons of Denton were recent guests in the home of his parents, the J. P. Ephraims.

KRME joins emergency system

Radio Station KRME, Hondo, has been issued an emergency broadcast system authorization from the Federal Communication Commission under the Commission's revised national emergency broadcast system.

The designation of KRME as an emergency broadcast system station gives the Medina County facility the authorization to continue operation as a member of the EBS Network during an emergency action condition.

The Hondo-based station will work through the State Industry Advisory Committee and the Federal Communication Commission.

The authorization was effective June 12th, but the

actual completion of the revised National Emergency Broadcast System will not come until November 2nd, 1972. At that time KRME will join with other stations in Texas and throughout the nation in forming the Na-

tional Emergency Broadcast System.

Radio Station KRME serves all Medina County, neighboring Bandera and Uvalde counties, and portions of Bexar County.

4-H girls learn to sew

Mrs. Gaye Bippert, Medina County Home Demonstration Agent, presented a program on lingerie to members of the Hondo and Devine 4-H clubs who are enrolled in self-determined clothing projects. She taught them how to sew a pair of nylon briefs.

Those attending from the Hondo clubs were Robin Saat-

hoff, Kay Martin, Nancy Martin, Vicki Gilliam, Joy Heiligman, Jeanette Aelvoet and Mariette Aelvoet.

These girls and others enrolled in self-determined clothing projects should plan to present a demonstration at their meeting July 11th at 10 a. m. in the Rothe Martin home.

NEWCOMERS

... these four Hondo youths are selling the Anvil Herald each Thursday morning. Left to right, they are Chano Villalpando, a sixth grader who just moved to Hondo from Jourdan; Jorribio Gonzalez, Chano's brother and a fourth grader; Ted Garza of 1305 22nd St., an eighth grader; and Alvin Palomo, a third grader from 1503 14th St.

Veterans Administration

Q -- I am attending school under the GI Bill and receive \$205 monthly educational allowance for myself and wife. Will my wife be dropped as my dependent if she works and earns a certain amount of money?

A -- No. Your wife's income has no bearing on the amount of educational assistance you receive.

Q -- I am a World War II veteran who never used his GI loan benefits. Is it true that I can still use this bene-

fit? A -- Yes. The Veterans Housing Act of 1970 restored to all veterans who were previously eligible. These benefits are now available until used.

Hondo Public Library now has 85 young people enrolled in its Summer reading program. Some of these have already completed the twelve books required and will soon receive their certificates.

In this connection, Terri Spiker donated 13 "easy" books for the reading program. A partial list of these books

are "The Sheep of the Lal Bagh", Mark; "Butch Elects a Mayor", Hanff; "Great Wolf and the Good Woodsman", Hoover; "Open Your Eyes", Abisch, and "Stargazer to the Sultan", Walker.

Attending the Library's story hour June 20 in the 6-7 age group were Brian Reus, Scott Saathoff, Steve Coyle, Tammy Oeffinger, Yolanda Rodriguez, Angel Trevino, Yvonne Morin, Lucille Meeks, Ronnie Morin, Becky Sanchez, Elma Molina, Jeff Rummel, Leol Morin and Kenneth Van Damme.

Storyteller Dorris Saathoff read "Perri", "Going to the Fair" and "Tales of Peter Rabbit". These young people also experimented with paper plate art and sang some songs followed by a candy treat for all.

In the June 20th 4-5 age group were Ricky Sanchez, Brian Lutz, Tracy Morin, Rebecca Palacios, Robin McGraw, Valerie Cole, Jan Moss, Philip Reus, Judith Rummel and Elizabeth Van Damme.

Margaret Reus told the stories "Miss Susie", "Never

Tease a Weasel" and "Freddie Bear". The records "All About Animals", "What are Kids Called?" and "Everybody Wash" were played, and the children did some crayon coloring with a candy treat following.

Story Hour on June 27 was led by Shirley Foster and Jan Oeffinger. Final story hour will be held Tuesday, July 11, 2:30 p. m., at the Library with storytellers Evelyn Dittmar and Nancy Fiddle.

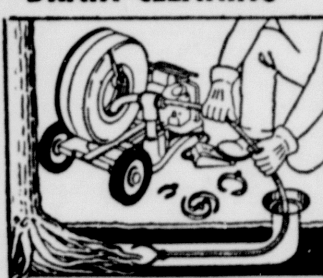

Hondo Library's Board of Trustees met at the Library Tuesday night, June 20. Present were Sally Brucks, Chairman; Nancy Buescher, Martin Noonan, Bob Peden, Lottie Maw, Librarian; and Ina Mansell, secretary-treasurer. Purpose of this meeting was to review and update the bylaws. Next board meeting will not be scheduled until Fall.

During the past two weeks donations of books, paperbacks and magazines have been received from Dr. Duty, Mrs. O. M. Redus, Mrs. George Bendele, Helen Richter, Liz Maples, Mrs. Norman Buescher, Georgene Deckert and Virginia Clift. Among the books are two new best sellers "The Nixon Reckoning" by Maloney and "The Assassins" by Elia Kazan.

The 21 new reference books from San Antonio Library Workshop are now on library shelves and ready to be used for research and study, but can not be checked out and must be consulted on library premises.

Mrs. Lottie Maw, Librarian, extends thanks to all those who have returned overdue books and reminds those who have not of the book drop where books may be left if you are unable to get to the Library during regular hours. The library is open Monday through Friday, 11:30 a. m. to 5:30 p. m.

Robert R. Carlo Promoted

Robert R. Carlo has been appointed Southern Regional Manager for the Webster Division, McGraw-Hill, Inc., effective June 1.

As such, he is responsible for the administration of a key cluster of states where Webster's past success had significantly contributed to the division's growth. The appointment is made on the recommendation of Thomas Murphy, Director of Marketing, to whom Bob will report.

Bob joined the Webster Division of McGraw-Hill in 1964 as the West Texas and New Mexico salesman; in 1965, he was appointed Assistant District Manager in the Southwest; and became Southwest District Manager in 1967.

He received his B. A. degree from Trinity University in San Antonio, and his Master's from Sul Ross.

Robert is married to the former Jane Richards. They have four children: Barbara, a student at Denton University; Janet, a spring graduate at Arlington High School, to attend Denton also this fall; Frances Ann and Bob.

Robert is the son of Mrs. Barnitz Carlo and the late Mr. Carlo of Hondo.
